

LS Phragmites Community Group (LSPCG), Nature Conservancy of Canada (NCC)
& Lambton Shores Nature Trails (LSNT)

A Winter Snow Shoe and Phragmites Culling Event

We need your Help...

Event: Winter Phragmites Culling
Date: Thursday, March 12, 2015
Time: 10:00 AM – 1:30 PM
Place: Ipperwash Dunes & Swales Nature Reserve

Meet at end of Richardson Drive in Ipperwash (From Hwy # 21 at Ravenswood turn towards Lake Huron onto Ipperwash Road - in Ipperwash turn right onto East Parkway - Richardson Drive is the first street on your right – Drive to the end)

Note:

- If possible bring snow-shoes, eye protection, pruning shears and/or hedge trimmer
- Wear gloves & warm clothing-
- Participants must sign a 'NCC Liability Waiver Form'

The purpose of this joint LSPCG - NCC - LSNT Winter Event is to cull a stand of Invasive *Phragmites australis* near the Municipal Pump House which threatens to spread further into NCC's Ipperwash Dunes & Swales Nature Reserve. To prevent the seeds from spreading, plans are to cut the Phragmites, collect & transport the cuttings on tarps and then burn them in an adjacent open area

Chili & Rolls and Hot Cider & Cookies
will be served...

Please contact us if you plan to participate:

Nancy Vidler (LSPCG) or **Klaus Keunecke** (LSNT)
